

HARDNESS TESTERS

Among many types of materials testing methods, hardness testing is one of the most popular, reliable and yet diversified methods. The many methods regularly practiced in hardness determination of metals range from loads starting from grams in Micro hardness testing up to 3,000 kgf for Brinell Testing of heavy castings. Suitable selection of hardness testing methods together with the applicable hardness tester model can accurately measure the hardness of softest alloys up to the hardest sintered materials.

There are so many hardness testing methods and scales that require finding the most suitable hardness tester to meet every hardness testing application.

Modern electronics has played an important role to improve hardness testing technologies, providing high accuracy, data processing of test results, statistical analysis, graphics, and much more.

For selection of the suitable hardness tester for your application, the following criteria are to be considered:

- Test Load
- Hardness Scale
- Accuracy of Results
- Adaptability of the hardness tester to shape and dimension of the work piece
- Budget
- Portability or table top/ floor configuration of the hardness tester.

Qualitest, an expert in offering the most competitive and comprehensive range of hardness testers on the market such as [brinell hardness tester](#) and more, meets and exceeds every hardness testing application and budget with more than 100 different configurations of hardness testers. These hardness tester models are proven products that meet and exceed North American and International standard requirements.

Contact our **QualiTeam** today to find out how we can help your organization **select the most suitable testing solution** for your application, requirements, and budget.

Qualitest USA (Corporate Sales Office)

Toll-Free: 1.877.884.TEST (8378) | Fax: 954.697.8211
E-mail: info@qualitest-inc.com
Address: 8201 Peters Rd., #1000,
Plantation, FL 33324, USA.

Qualitest Canada & International

Tel: +1.905.944.9825 | Fax: +1.905.944.0304
E-mail: sales@qualitest-inc.com
Address: 70 East Beaver Creek Rd., #9, Richmond Hill,
Ontario L4B 3B2, Canada.

Qualitest Latin America (Mexico and LATAM Region)

E-mail: ventas@qualitest-inc.com

Qualitest KSA (Regional Office)

Tel: +966 11 500 6659
Address: Level 7, 3.09, District 3, King Abdullah
Financial District, Riyadh, Saudi Arabia

Qualitest Singapore (ASIA PACIFIC Regional Office)

Tel: +65 6393 5480 | E-mail: singapore@qualitest-inc.com
Address: 50 Raffles Place, Singapore Land Tower,
Level 46, Singapore, 048623.

Qualitest Indonesia (Representative Office)

Tel: +62 21 2985 9522 | Fax: +62 21 2985 9889
E-mail: indonesia@qualitest-inc.com
Address: One Pacific Place Level 11, Jl. Jend. Sudirman,
Kav. 52-53, SCBD Area, Jakarta 12190, Indonesia.

Qualitest FZE (Regional GCC/ME Office)

Tel: +971 4 8819252 | Fax: +971 4 8819262
Email: gcc@qualitest-inc.com
Address: Jafza One, BB 1610, Jebel Ali Free Zone,
PO Box 261440, Dubai, UAE.

Qualitest India

E-mail: india@qualitest-inc.com
Address: 15th Floor, Dev Corpora, Pokhran Road No.1,
Eastern Express Highway, Thane, Maharashtra,
Mumbai, 400601, India
